

Aluminium Smoothwall **AluPet**[®]

creative food packaging

Features & Benefits

- Designed to be heat sealed with lidding film and may also be used with PET clip-on lid format
- Trays can be gas flushed and modified atmosphere packed (MAP) for extended shelf life
- Ideally suited for chicken, fish, red meat, ready meals, prepared vegetables, pasta and deli counter ranges
- Premium added value packaging format for ready to cook ranges
- Aluminium perfectly suited for oven cooking, grilling, roasting and BBQ
- Smoothwall trays are ideal for chilled, frozen and ambient foods
- Aluminium is 100% recyclable
